26 April 2020

Greetings Camp Curnalia Owners,

On behalf of the board, all of us hope everyone is safe and healthy. Given the updated EO on Friday 24 April, the Governor has removed the travel restriction to and from ones secondary homes (see 7.b.3.) . We urge you to use pre-cautions (such as using a face mask in public), follow the six foot social distancing guideline, and follow the directions in Governor Whitmer's Executive Order.

Secondly, The Governor rescinded her restriction on boats with engines and has now allowed them. (see 7.a.1). Given that the DNR has installed their dock systems at the launch ramps today, 25 April 2020, the board has rescinded its decision to not allow dock install until 16 May 2020. We will REQUIRE that no more than 8 people can install the dock and they MUST use 6ft distancing with facial masks.

Finally,

The Memorial Day Parade has been cancelled this year due to COVID-19. PLEASE, take a moment on that day and remember any lost comrades you may know , as well as all veterans that have lived.

Hopefully we will be boating and grilling soon!

Sincerely

Nicholas J Cononico Jr
President Camp Curnalia C.O.A.
